### H Studio by Shlomi Haziza

The *Haziza Magic Collection Gloria rug* is made of 100% New Zealand wool, which is the purest, cleanest, whitest wool in the world, with cotton canvas backing. Exceptional construction and materials combine to create rugs that are as durable as they are beautiful. Suitable for both residential and commercial interiors, these rugs will add a lifetime of contemporary elegance to any environment. It may be customized in any shape, size, and colour.

### Home Dynamix

The *Natalie* is a long lasting, and a value priced rug that is beautifully detailed and stylishly coloured. From the stunningly contemporary colours of black and red, to the soft antique tone of ivory, gold and green, *Natalie* proves that an upscale, luxurious look needn't be expensive. Power loomed of durable and easy to care for polypropylene yarn, these rugs are soil, stain and fade resistant.

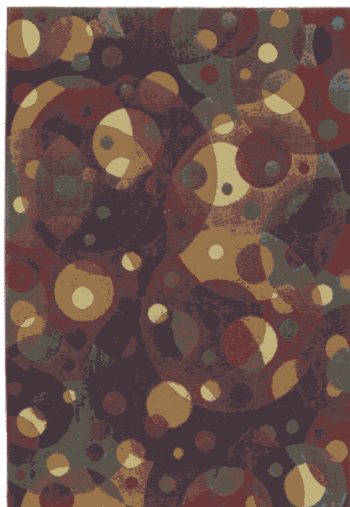

### Karastan

This *Lascaux Collection* is inspired by the Grotte de Lascaux caves, discovered in 1940 in France. The rug portrays the outstanding displays of pre-historic art yet discovered. The majesty of the *Lascaux* cave art is interpreted in two unusual cross-woven rugs.

### Masland Carpet Collection

The styling of *Crosstown* will heighten the look of your office or home. A sure asset in any office or den, it is available in nine colors and constructed of 100%

### Shaw Living

The Impressions collection, new from Shaw Living, features a weaving technique that gives each rug a physical dimension or "carved" effect. This unique collection offers rich color and vibrant luster as shown in the *Orbit* rug. The Impressions collection consists of 6 to 8 designs in various sizes.

Masland Solution Dyed nylon. Its inspiration is deeply rooted in classic design. The relationship between interior architecture and ecology has added another dimension to *Crosstown*. The touchstone is sustainable design - the twofold proposition that environmental responsibility must be on equal footing with design, and that true design is timeless.
